

Wild Things

Imagine....

*While playing outside one day during lockdown, you discovered a 'Wild Thing' living in your backyard!
You've never seen anything like this before in your life but it seems friendly and it needs your help!*

Discuss with your family:

Where has your wild thing come from?

What does it look like?

How does it communicate with you?

Build

Your wild thing needs somewhere to live. Design and build a hut or house for your wild thing to live in. Think about materials you can use to keep your wild thing dry, warm and safe

You could use Lego, paper, boxes, grass clippings, sticks or anything else you have.

Draw

Draw a picture of your Wild Thing. Include lots of detail - does it have..

- Patterns or stripes
- Hair or fur
- Claws, paws or hooves
- Unusual features

Write

Write a description of your wild thing. Include:

- What it looks / sounds like
- Where you found it
- Where you think it came from
- What tricks your wild thing can do

Create

Decide what your Wild Thing would like to eat and invite it to have lunch with you.

What will be on your 'Wild Thing Menu'?

Write a menu or find pictures in magazines of foods you think your wild thing might enjoy eating.

List

After spending some time with your wild thing, you have learnt lots of amazing facts about it.

Write a list of ten fascinating facts about your wild thing.

Share

Share all of the amazing things you have done with someone who doesn't live in your bubble. Email your teacher or friend, ring a grandparent or write a letter to someone and tell them all about your Wild Thing!.

Extra for Experts

What is the biggest animal in the world? Research it and find out...

- Where in the world you would find it
- What is its habitat? Diet? Special adaptations?

Compare its size to you - measure your height and weight and figure out how many of you would be equal to the size of the animal.

How much food does it need each day compared to what you eat?

How far would you need to travel to meet your animal?
