Term 3

OUR LEARNING

We are so excited for our production this term! There are so many learning opportunities that come with this, and Miss Herkes is busy organising what everyone's roles and responsibilities will be. Stay tuned for more updates!

We will also continue our hard work in literacy and numeracy this term. You can help at home by continuing to read with and to your child as often as possible, and by working on number and basic fact knowledge at home.

Having secure number and basic fact knowledge means that we are able to use our working memory to think about the steps required to solve a problem. If you need ideas for ways to support your child in building automaticity in this area please let me know!

We will also be unpacking our ICARE values and the ways that we show them at school and at home.

INTEGRITY NGAKAU PONG	CHALLENGE EKE PANUKU	AMBITION PAI TAWHITI	RESPECT MANAAKTANGA	ENCOURAGE AWHINA
OWN I am proud of my work and I am responsible for it.	SHOW I am confident in my abilities and I am not afraid to try new things. RESPECT I am motivated to achieve my goals and I am willing to put in the effort.	SUPPORT I am respectful of others and I am willing to listen to their opinions.	CELEBRATE I am supportive of others and I am willing to help them when they need it.

REMINDERS

Please keep supporting your child to remember their book bag. Time spent reading at home makes a big difference to achievement, and books won't be sent home without a book bag.

A change of clothes is handy in this wet and muddy weather!

IMPORTANT DATES

Friday 1st August FOS Disco

Friday 29th August Daffodil Day

Thursday 18th September Production

Friday 19th September End of Term Assembly

Keep checking in as more dates will be added!
