WELCOME BACK TO TERM 4!

Kia ora tātou katoa,

What a great production we had at the end of last term, I am still singing those catchy tunes! I hope you all had an enjoyable holiday break. I want to offer a warm welcome to our four new students that joined us at the end of last term from Endeavour: Pippa, Alisha, Ben and Saviya as well as our newest student that started at the beginning of this term, Elijah. I hope you all enjoy being a part of our class. Welcome to the Tahuna School Community Elijah and whānau. It is awesome to have you join us 😊

This term the children must start wearing their Tahuna school hats. This also means children need to be putting on sunblock, especially as the days get hotter. It would be fantastic if they could please come to school with sunblock on and I will make sure they reapply at lunchtime. Our theme this term is farming, which some of the children will be very familiar with. I look forward to them to sharing their knowledge with the rest of the class. We will also be practising for our upcoming athletics day in week 5. As the weather warms up later in the term, I will try and get the children into the pool. I will keep you informed once it warms up enough.

Ngā mihi, Dionne 😊
