Term I 2026

Welcome back for 2026. I trust you all had a wonderful holiday season.

This week has been spent getting to know our new class, making friends, building our classroom culture and getting into the right mindset for lots of cool learning!

Over the term we will be covering sun smart, healthy bodies and minds, and swimming / water safety.

Our shared reading book is The Enchanted Wood by Enid Blyton, so some of our learning will be based around that too.

Keep an eye on our Facebook, SchoolStream, and Seesaw over the Term to keep up to date.

Look Forward to catching up with you all as we go through the year.

Homework: We are having a refresh this year and no longer using the reading log books. We will be sending home an Ako Tahi: learning together book once a week (which will be explained in a separate notice) along with a reading book 3 days a week starting in week 2.

Please remember to pack a filling lunch and a water bottle each day.

Hats are provided at school, please remember to apply sunscreen in the morning and we will re-apply later in the day.

We have swimming sports on the 25th of February, please ensure your child is bringing their togs and a towel each day for swimming practise
